

Oh Lord, Make Me A Doctor With A Mercedes-Benz

**Oh Lord, make me a doctor with a Mercedes-Benz
My friends are all prelaw, I must make amends.
Worked hard in organic, never thought it would end.
So Lord, make me a doctor, with a Mercedes-Benz.**

**Oh Lord, won't you give me an "A" on the test,
I have to show med-schools that I am the best.
Tried hard all semester, the TA says I'm a pest,
So Lord, won't you give me an "A" on the test.**

**Oh Lord, won't you give me a high MCAT score.
My friends all got 30's, I have to get more.
I went to Kaplan, oh man what a bore,
So Lord, won't you give me a high MCAT score.**

**Oh Lord, won't you get me into Johns Hopkins U.
Baylor would be nice, I'd like an interview
O.K. let's be serious, A&M will do.
So Lord, won't you get me into TAMU.**

**Oh Lord, make me a doctor with a Mercedes-Benz
My friends are all prelaw, I must make amends.
Worked hard in organic, never thought it would end.
So Lord, make me a doctor, with a Mercedes-Benz.**
