

"Organic Labville"

There must be a mistake,
What did I just make
Those aren't crystals, it looks more like oil.
Looks like another screw up,
Like the last one that blew up,
Uh oh now it beginning to boil.

*Wasting my time again in my organic lab.
Looking for that last product I lost.
Some people say that my lab partners to blame,
But I know, its my T.A.'s fault.*

Don't know the reason,
I always get C's in
My lab notebook it looks good to me.
I copy it from Suzy,
She's a real cutie,
Why she doesn't like me I haven't a clue.

*Wasting my time again in my organic lab.
Looking for that last product I lost.
Some people say that my bad technique is to blame,
But I know, its my T.A.'s fault.*

There's another fire in Welch,
AFD just can't squelch.
They said it wasn't safe so they sent us all home.
But there's chemicals in my blender
And I hope it will render,
That crystalline product I need to be done.

*Wasting my time again in my organic lab.
Looking for that last product I lost.
Some people say that the professor is to blame,
But I know, its my T.A.'s fault.
Yes and Some people say that the professor is to blame,
But I know, its my T.A.'s fault.*
