

The club ain't the best place to find nucleophiles
 So the lab is where I go
 Me and my friends in solvent
 Moving fast but reacting slow
 Come over and start up a reaction with just me
 And trust me I'll give it a chance now
 Let's react, stop, put your charge over here
 And then we start to react, and now I'm singing like
 You know I want to make a bond
 Your charge was handmade for a reagent like me
 Come on now, follow my lead
 I'm an electrophile, don't mind me
 Say now let's not talk too much
 Get through solvent and put your electrons on me
 Come on now, follow my lead,
 Come, come on now, follow my lead

I'm attracted to the charge of you
 We push and pull like charges do
 Although my orbitals are reacting too
 Come on let's get bonding
 Transition state is coming true
 Time to finish the S_N2
 Creating a bond brand new
 Come on let's get bonding
 Oh-I-oh-I-oh-I-oh-I
 Come on let's get bonding
 Oh-I-oh-I-oh-I-oh-I
 Come on let's get bonding
 Oh-I-oh-I-oh-I-oh-I
 Come on let's get bonding
 We need to make a bond brand new
 Come on now let's S_N2.

" Don't Stop, Believin'

Just a Houston girl,
Living in a Longhorn world.
She took the premed train
Straight to OChem 1

Just a Plano boy,
Born and raised in full burnt orange,
He took the premed train
Straight to OChem 1

They study in a smoky room,
Smell of vapes and Mountain Dew
For an A they study all night
It goes on and on and on and on

Alkanes to alkynes
Up and down the I-35
Two students studying in the night
Roadmaps, reactions
Living just to pass the final
Will they ever get it right

Working hard to get my grade
Everybody wants an "A"
Trying anything to ace this class
Just one more exam
Some will win, some will lose
I don't want to sing the blues
OChem never seems to end
It goes on and on and on and on

Alkanes to alkynes
Up and down the I-35
Two students studying in the night
Roadmaps, reactions
Living just to pass the final
Will they ever get it right

Don't stop believin'
Hold on to that "A" feelin'
Roadmaps, reactions
Ohohohohohoh

Don't stop believin'
Hold on
Roadmaps, reactions
Ohohohohohoh

Don't stop believin'
Hold on to that "A" feelin'
Roadmaps, reactions
Ohohohohohoh

We All Love Organic Chemistry

**In the town where I was born,
Lived a man of chemistry.
And he told us of his life
In the organic laboratory.**

**Making molecules to fight disease
Coming up with their syntheses.
So we sit in 320M
Learning organic chemistry.**

Refrain:
We all love organic chemistry
Synthetic chemistry
Molecules with "C"
We all love organic chemistry
Synthetic chemistry
Molecules with "C"

**All our friends think we're a bore
Our grade point averages begin with
4.**

**But we await graduation day
To work in lab for meager pay.**

**But its OK, who else can say
They're curing cancer or fighting
AIDS.**

**We hope that you in 320M
Respect organic chemistry**

Refrain:
We all love organic chemistry
Synthetic chemistry
Molecules with "C"
We all love organic chemistry
Synthetic chemistry
Molecules with "C"
