

Attachment 1

The Revised UGS Mission, Vision, Values, Goals

UGS Program Review
Fall 2019

To prepare students for lives of accomplishment through a strategic community of programs and initiatives designed to help undergraduates make the most of their academic experiences.

MISSION

VISION

To be an engine for academic change in an evolving educational landscape.

Innovation
Accountability
Community

Respect
Exploration
Student support

VALUES

GOALS

- ▶ Serve as an academic home for people of diverse interests, backgrounds, and experiences
- ▶ Partner with faculty to promote and continually strengthen the core curriculum and flags as the cornerstone of the UT academic experience
- ▶ Collaborate with colleagues across campus to provide students the tailored assistance they need to find their majors and achieve their goals
- ▶ Identify, educate, and engage new friends and donors to support the school's mission, vision, and goals
- ▶ Communicate what we do and how it adds value for students, the university community, and society
- ▶ Foster organizational excellence and professional growth
