2 Link Your Cengage and LMS Accounts

To link your Cengage account with your campus LMS account, log in using your Cengage account information.

OR

Don't have a Cengage account? Create one by clicking “Create an Account.”

The screenshot shows the Cengage Unlimited Sign In page. At the top, it says "CENGAGE UNLIMITED" with subtext "MINDTAP | WEBASSIGN | OPENNOW | SAM | CNOW™ | OWL™". Below that is the "Sign in" heading. A link "Don't have an account? Create an Account" is visible. There are input fields for "Email Address" and "Password" with a "Forgot?" link next to the password field. A "SIGN IN" button is at the bottom.

You may already have a Cengage account if you've used MindTap, CengageNOWv2, SAM, WebAssign or another Cengage platform in a different course.

The screenshot shows the Cengage Unlimited "Set up your account" page. It has the same header as the sign-in page. Below the header is the heading "Set up your account" and a link "Already have an account? Sign In". The form includes fields for "First Name", "Last Name", "Email Address", "Confirm Email Address", "Password", "Confirm Password", "What is your birth year?", "Select a Question", and "Security Answer". At the bottom, there are two checkboxes: "I have read and agree to the Cengage Terms of Use and Privacy Statement" and "Yes I want to be the first to hear about exclusive promotions and content from Cengage". A "Create Account" button is at the bottom right.

Create your Cengage Account and apply your access code.

6. After you have registered everything and entered your access code, every time you want to access your eBook click on:

“Modules” (on the left side menu under “Home”) then click on:
